# A little note from us

To: *bride to be* ♥

---

We know this day is one that you've been dreaming of,  
and we are here to be your girl pals for it. Before your  
big day, we'll grab a coffee, share Pinterest boards and  
prep ourselves like its the biggest uni exam to date.  
We want you to feel like you can enjoy your day when it  
comes, knowing that we have your back.

# HOW IT WORKS

Our services are split into specific segments of the wedding rather than charging a flat fee for a set number of hours. This approach allows us to focus on the aspects that matter most to you. In our experience, a blanket charge for '4 hours' can create a sense of urgency, which detracts from the true essence of your special day... its not about the photographers (us)... this day is about you!

To make this process easier, we have broken our price-list into the following segments:

- Getting ready
- Vogue Bridal
- Ceremony
- Family + Friend Groups
- Newly-Wed Couple
- Reception
- Dance Floor

You can now choose from the available segments based on your needs, along with a price list and outlined hours, as specified on the following page. Please note that all galleries are delivered in digital format; if print is desired the overall cost will change accordingly.

If there are any amendments you wish to make, we will be more than happy to cater.

### Travel Fees

We are delighted to share that as each of us lives in Canberra and Melbourne, travel fees only apply when 50km outside of these civic areas.

We also offer interstate and international bookings; of which the cost of flights and one night accomodation (standard pricing, that is) will be added to the overall invoice.

### Invoice Options

We offer a three-part payment service plan to those who prefer it.

### Newly-Wed Couple Photos

Some gardens require a payment or booking to access; if the desired location requires these, this cost will be added to the overall invoice

### Additional Hours

If the outlined hours for a specific segment don't meet your needs, please contact us directly ; we would love to help you out.

### Photo Box

A handmade photo box (6x8) with fabrics of your choosing and embossing; inclusive with 10 digital prints can be made for an additional \$395.

### Getting to know you

As part of our service, you will either have coffee with Annabelle or Shayna (depending on your location) to better understand your dream; sharing Pinterest boards and ideas, as well as walk through the specified locations. As part of this, we will create a Checklist surrounding your day (wedding invitations for those layouts!); so that everything goes according to plan. We are here for you in the lead up to the wedding, as well as after the wedding in your beautiful edits.

A woman with blonde hair, wearing a white off-the-shoulder wedding dress and a tiara, is seated at a rustic wooden table. In front of her are two ornate crystal chandeliers. The background features a large green plant, a framed picture, and a lamp. A small bird is perched on the back of the chair to the right.
